

IMPORTANT INFORMATION FOR PASSENGERS CRUISING IN AUGUST 2010 ON:

COSTA LUMINOSA CONSTELLATION EURODAM MSC OPERA

Passengers embarking on the Costa Luminosa (August 1st) Eurodam (August 8th) and MSC Opera (August 7th).

You will embark your ship at Passenger Terminal Amsterdam (PTA). Due to **Sail Amsterdam 2010** your cruise will not end at Passenger Terminal Amsterdam, but at the Amsterdam Container Terminal (ACT). If you are planning to drive your own car we strongly discourage you to park at PTA, as upon your return you will only be able to pick up your car between midnight and 08.00 am. We advise you to park at P+R Sloterdijk, from where you can take a taxi to PTA. When you return to ACT, it is only a short taxi ride to your car. If you arrange a pick-up yourself please note that this will be from ACT, and not at PTA.

Passengers embarking on the MSC Opera (August 18th), Eurodam (August 19th), Costa Luminosa (August 21st) and Constellation (August 22nd).

Due to **Sail Amsterdam 2010** your cruise will not start at Passenger Terminal Amsterdam (PTA) but at the Amsterdam Container Terminal (ACT). Please do not come to PTA, as the area is closed for vehicles, and only limited accessible between midnight and 08.00 a.m. Your cruise will end at PTA. If you are planning to drive your own car we advise you to park at P+R Sloterdijk, from where you can take a taxi to ACT. When you disembark at PTA, you can take a taxi to pick up your car. If you arrange a pick-up yourself please note that you will disembark at PTA.

Please note the following:

- ACT has no parking facilities
- P+R is by far the cheapest option to park in Amsterdam
- There is no public transportation at ACT

If you have any questions please contact us at:
